**THE CHILD  
ADVOCACY  
CENTER  
OF  
FREDERICK COUNTY**

- Pediatric Examinations
- Counseling
- Advocacy

**Because every child matters.**

The Child Advocacy Center promotes child wellbeing by providing a child- and family-focused center to address reports of child maltreatment through a multidisciplinary approach to investigation, prosecution, treatment, and advocacy.

Our services are **free** to children who may have experienced physical, sexual, or emotional abuse or neglect, and their non-offending parents, caregivers, and siblings.
